

HEYLO™

# THE ONLY SUGAR-ALTERNATIVE THAT ACTUALLY TASTES LIKE SUGAR

- No calories
- No Glycemic Impact
- No aftertaste or bitterness
- 100% Natural
- Gluten-Free and Allergen-Free
- Prebiotic – contains natural fibers
- 1 gram of HEYLO = 10-15 grams of sugar

**HEYLO** is the first and only sugar-alternative that actually taste like sugar – no artificial aftertaste or bitterness! It's a patented blend of organic stevia and natural fibers, so it's also considered a prebiotic. With zero calories and zero glycemic impact, now you can make natural and organic products that are 100% sugar-free without compromising the taste, texture, or gut-health.
